School Holiday Fun!

Rockingham 6th Jan- 24th Jan 2025

FAQ's:

Which NDIS Plan budgets can I claim for services from?

We can either use the Core, Improved Daily Living or Increased Social & Community Participation budgets.

Can we pick up and drop off from home?

Absolutely! Please let us know what the ideal arrangement for your family is, and we'll try to assist where we can.

How much funding will come from my plan?

The cost depends on how many hours you're booked in for! We charge \$67.56 per hour, and a full day at the program is usually from 9am – 4pm – so the cost would be approximately \$473. We also charge for any applicable transport, such as when we pick up and drop off our heroes.

Why do I have to pay the out-of-pocket costs?

The NDIS does not fund entry fees or costs of activities.

Can I combine the School Holiday Program with respite at Nella Farm?

Absolutely! If you have respite funding available and want to turn this into a sleepaway camp, please reach out! It is possible for up to 4 kids to stay overnight during the program.

What kind of activities happen at SquadQuarters?

SquadQuarters is our hub for fun! We have video games, board games table tennis, air hockey, arts and crafts and a giant TV for movie days (and sometimes a little karaoke!)

What do we do at Nella Farm?

Nella Farm is home to friendly animals who we can hand feed such as alpacas, goats, sheep, rabbits, guinea pigs and a giant farm cat named Butch! There is also a swimming pool, trampoline, basketball hoop and many other activities.

What do we need to pack?

Please pack a healthy snack and lunch, a water bottle, a hat, swimming gear if applicable for the activity, a spare change of clothes, any equipment or continence aids required and your companion card.
